Have you ever attended any of the YMCA's childcare programs? If so, when and where?

Why are you interested in being a Counselor In Training?

What extracurricular activities do you participate in?

What characteristics do you possess that will benefit the children in our summer camp program?

Do you have any experience working with children? Please describe. Include any volunteer work, babysitting, and/or certifications.

What do you think will be the hardest thing about working with children and why? Explain how you will handle this.

If you are accepted, how will you incorporate the YMCA's four core values into your work as a CIT? If you do not know what those are, I challenge you to seek them out.

What weeks of the summer do you plan on attending the CIT program? Please be specific.

Thank you for your interest in the CIT program. You will receive a call within a week of turning this application in to set up an interview. Please keep in mind that not all applicants will be selected to participate in this program, as spaces are very limited.
